IEEE President-Elect Address

Mary Ellen Randall, 2025 IEEE President-Elect

2025 IEEE Region 10 Annual General Meeting

Incheon, South Korea

22 February 2025

ieee.org

IEEE

Advancing Technology for Humanity

My Background

Founded Ascot Technologies, which develops enterprise applications using mobile data delivery technologies.

Worked in hardware and software development, digital video chips, and test design automation.

Served as IEEE Treasurer, IEEE Region 3 Director, VP of MGA, and Chair of IEEE WIE.

Created the IEEE MOVE program to assist with disaster relief efforts and STEM educational purposes.

MOVE
DISASTER RELIEF & OUTREACH
AN IEEE INTERNATIONAL PROGRAM

◆IEEE

1

My Pledge to Our Members

Institute innovative products and services to ensure our mutually successful future.

Engage stakeholders (members, partners, and communities) to unite on a comprehensive vision.

Expand technology advancement and adoption throughout the world.

Execute with excellence, ethics, and financial responsibility.

Lead by example with enthusiasm and integrity.

IEEE >> Advancing Technology for Humanity

MOVE Community Outreach

- **Emergency Relief Program** assisting victims of natural disasters with short-term communications and power solutions
- **STEM Outreach**
- **Public Visibility**
- **IEEE Member Engagement**
- **Run by Volunteers**
- **Funded by Donations**

MOVE-1

MOVE-2

MOVE-3 Smaller vehicle with Modular equipment

The professional home for the engineering and technology community worldwide

MOVE Truck and Volunteers

Deployment Capabilities
- **Provide Power** for the Red Cross Shelters and Disaster Response Operations
- **Provide Internet and Network Access** to the Red Cross Shelters and Disaster Response Operations for email, messages, IP telephone, Videoconferencing, etc.
- **Recharging Battery Packs** to power cell phones
- **Transport Capabilities** to remote locations impacted by the disaster

Natural Disasters can Impact Anyone

Disasters Take Many Forms

- Hurricanes
- Tornados
- Floods
- Fires
- Earthquakes

MOVE responds to provide Vital Services to the **Public** with the **Red Cross** and our other **First Responder Partners**

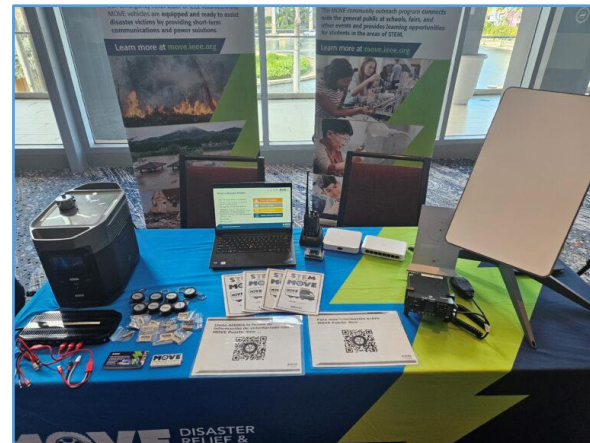

MOVE DISASTER RELIEF & OUTREACH
AN IEEE INTERNATIONAL PROGRAM

◆IEEE

Community Outreach International

▸ Disaster Relief
▸ STEM Educational Outreach

The professional home for the engineering and technology community worldwide

- MOVE Modular Kits
- STEM Workshops
- Call for Volunteers

8

- Launch of Mini MOVE India Vehicle
- Disaster Awareness Training Program
- STEM on Climate Change and Sustainability
- MOVEATHON

The professional home for the engineering and technology community worldwide

Join the MOVEment!

MOVE Volunteer Opportunities
▸ Disaster Response Deployment
▸ STEM & Visibility Events
▸ Amateur Radio Club
▸ Communications & Social Media
▸ Maintenance Team
▸ Weather Team

MOVE Fund Opportunities
Donate Today at the IEEE Foundation
Make a personal tax-deductible
donation to MOVE

Result

"I've learned that

people will forget what you said,

people will forget what you did, but

people will never forget how you made them **feel**."

Maya Angelou
Author & Poet
